JOSANA Building Sites - 2008-09

2008-2009 Proposed FCHH Building Sites in JOSANA:

19 Grape St.
35 Grape St.
39 Grape St.
43 Grape St.

132 Orange St.
187 Orange St
123 Orange St.

Meeting and sign-in location will be provided prior to your scheduled volunteer date

One way to access the area is to take State St. from downtown north to Brown (light after Kodak headquarters), turn Left onto Brown, go past S. Plymouth, Verona and Oak St. At the light for BROAD ST. (before the expressway!) turn Right and go about a block. Turn Left at Orange St. (restaurant on corner). If you pass the traffic light you've gone to far, back track and turn onto Jay St., then access Grape St. and Orange that way.
